The Acoustic Set

The Acoustic set includes covers from Ben E. King to Ed Sheeran, The Beach Boys to Anne Marie, Shania Twain to Taylor Swift. The set is perfect for relaxed drinks and nibbles vibes and will appeal to guests of all ages. The backing tracks have been produced to an extremely high quality with an acoustic guitar to give you a 'live' instrumental feel along with my vocal performance.

The Post-Modern Jukebox / Vintage Set

Vintage... with a twist! Did you ever think you would hear Abba's 'Dancing Queen' in a roaring 1920's style? or The Darkness 'I Believe in a Thing Called Love' as a vintage New Orleans rendition? This is such a fun set, full of recognisable, catchy songs that will get your guests singing, dancing and gasping in surprise hearing much loved tunes in their new retro form!

The Throwback Set

We all know those crackers from the 50s - 00's... The feel-good songs that everyone knows. The songs that make people want to get up from their seats and dance like no-ones watching. From Chuck Berry to Cher, this playlist has all your favourite throwbacks. Prefer a certain era? Like to mix it up? Either way, I can cover it all!

The Chart Topper set

Want to add some chart toppers to your day? I am constantly studying the charts and learning new songs to keep my repertoire fresh and relevant. From Shaboozey to Sabrina Carpenter, Jess Glynne to Teddy Swims - I've got it covered! Have any particular favourites that you can't spot on my setlist? Just ask and I can learn it for you.

Bespoke Set (Weddings / All Day Events)

You don't have to stick to just one set for your day or event. You might want one set for drinks and nibbles, then a different set for the evening, or prefer a mix of songs from several sets. You may even have specific songs you'd love included. I'm a very flexible performer and can tailor the music to suit your day perfectly, whether that means creating bespoke sets or learning new material.

With well over a decade of experience in the music and media industry, I also offer expertise in songwriting, music production, music editing, and rearrangement. Whether you'd like a brand-new song written for your aisle music or first dance, or a pre-existing song reworked in a different style or edited into a medley, I can create something truly personal. This bespoke service is available at an additional cost, which I'd be happy to discuss on request.
